

A woman in traditional attire, including a brown headwrap and a white shawl, sits in the foreground. She is wearing a gold and white patterned top and a pearl necklace. Her hands are clasped in front of her. In the background, other people are visible, some sitting on the ground, suggesting a community gathering or a market. The setting appears to be an outdoor, possibly rural, area.

How Can You Help the Families of Those who are Imprisoned for Their Faith?

Supporting the families of those who are martyred or imprisoned is one way that you can fulfill Hebrews 13:3.

You can care for the families of prisoners, just like the ones in these pictures, through the Voice of the Martyrs Korea's Families of Martyrs/Families of Prisoners Fund (FOM/FOP).

In just the last few months, donations to this fund supported the family of a 16-year-old boy from India who was killed because of his Christian faith. It enabled 130 children of martyred pastors in Burkina Faso to attend school. It helped families of pastors who have been imprisoned in shipping containers in Eritrea for more than 10 years. It continues to care for wives of Christians workers who are currently in prison whose names we are not able to release due to security concerns.

You can help meet the needs of families of Christian martyrs and prisoners throughout the world by making a donation to VOMK's Families of Martyrs/Families of Prisoners (FOM/FOP) fund at www.vomkorea.com/en/donation or via electronic transfer to:

국민은행 (KB Bank) 463501-01-243303
예금주 (Account holder): (사)순교자의소리

Please include the name "FOM/FOP" on the donation.
