India:
Help Faithful Pastors to Continue Preaching!

2021 was the most violent year yet for Christians in India with at least 486 incidents of violent persecution.

But persecution is the result of faithful witness. Persecution is increasing because India's Christians are sharing the gospel more widely and boldly than ever before.

In 2021, VOM Korea supported 18 pastors from the Saura Hills region of India. These faithful pastors are facing persecution on a daily basis:

- They are barred from common wells and shops
- They are beaten by angry mobs
- Their church buildings are burned

Some Indian pastors have even been imprisoned and martyred.

For the month of March, all donations marked "India" will help these 18 pastors, along with other Indian Christians who are being persecuted due to their faithful witness to Christ. VOM Korea helps Christians who have decided to stay and make a faithful witness to Christ in the face of persecution.

Will you help? Donations for this project must be received before March 31st.
