HELP UKRAINIAN CHRISTIANS MAKE A FAITHFUL WITNESS!

During the present conflict Ukrainian Christians and churches are continuing to serve those in need and evangelize all with whom they come in contact. They do this in homes, bomb shelters, and even out in the open as bombs explode nearby.

- Pastor Polunin from Kyiv said, "We decided to stay in order to show that the church does not leave people in difficult times and in order to use the current situation to preach the Gospel."
- Brother Anatoliy Berezhny ("I.T. Martyr") died while helping a woman and her two children evacuate from a dangerous area.
- And the five Mariupol martyrs rescued a man from a fire and led him to the Lord just days before they were killed.

All of these individuals made a faithful witness for Christ in Ukraine. VOM Korea is supporting Christians and churches in Ukraine who are actively making a faithful witness. VOMK is also continuing to distribute Families of Martyrs funds to surviving family members of Christians in the region who are killed in the act of Christian witness.
