IT'S ACTS 8:4 ALL OVER AGAIN IN BURKINA FASO - AND YOU CAN BE A PART OF IT!

"Those who had been scattered preached the word wherever they went."

That's Acts 8:4, which tells the story of how the Lord used the persecution of the Christians in Jerusalem to spread the gospel all over Europe and Asia.

But it's also the story of what the Lord is doing today in Burkina Faso!

Since 2016, 1.7 million people in Burkina Faso have been forced to flee from Islamist groups that have invaded their villages. A large number of the refugees are Christian, including many pastors.

As these Christians are forced to flee, pastors like Pierre and David (featured in this newsletter) are continuing to proclaim the gospel—reaching Muslims who otherwise never would have heard it!

Some Burkina Faso pastors have been martyred in the process—they're special targets of the jihadists—leaving behind their wives and children.

We are partnering with local Burkina Faso church leaders to provide support for those pastors who continue their ministry despite being displaced, and also to care for the widows whose husbands were killed by the Islamic extremists.

You can help these families by making a donation today to our Burkina Faso ministry fund! Donations will be accepted until May 31st.
