Education needed for 1,061 children of displaced Christians from Burkina Faso

Church buildings burned. Pastors killed. Over 600,000 Christians from Burkina Faso displaced.

This is the result of terrorists' attacks committed by Islamic militants in Burkina Faso. In the midst of this terror, the children of these Christian families are suffering and not able to receive even basic education.

This year, VOM Korea will help the children of Christian families, especially ones where one or both of the parents have been killed. We will provide each of these children with their school enrollment fee, a school uniform, one meal per day for the entire school year, and a backpack filled with school supplies!

You can sponsor a child, or several children to receive a whole year of education!

1 child can be sponsored for **135,000 KRW**
 5 children can be sponsored for **675,000 KRW**
 10 children can be sponsored for **1,350,000 KRW**
 20 children can be sponsored for **2,700,000 KRW**

Make a donation by August 31st to our **"Burkina Faso"** fund to directly help the children of Christians who have been targeted by Islamic extremists!
