IMPRISONED PASTORS IN IRAN NEED YOUR HELP TODAY!

Over the last two years, the Iranian government orchestrated a coordinated infiltration of the underground church which has resulted in an increase of arrests of pastors and church leaders.

These imprisoned leaders and their families urgently need your help!

The families have no money for their monthly rent payment. In some cases, the family members have to be relocated because their lives are in danger. And all of the imprisoned leaders urgently need legal representation.

Help these Iranian church leaders and their families directly by making a gift to our Iran fund. Donations must be received by September 30th.
