Help us to distribute 1,600 Bible to whole Laotian communities who have never received a Bible!

Local Lao Christian leaders estimate around 10,000 new believers are coming to Christ every year.

One local Laotian Christian leader said, "If you have a lot of people coming to Jesus, you need a lot of Bibles." Another leader said, "There are still whole communities waiting for an opportunity to receive a Bible."

Receiving a Bible through a mass distribution or via a bookstore can lead to surveillance, since Bible distribution is closely regulated by the government. But through our network of local Christians, we hand-deliver individual Bibles to those who have requested them.

Since 2023, we have distributed 8,500 audio Bibles and print Bibles across all the provinces in Laos, but still, more Bibles are needed.

But this is dangerous work for our partners. Some of our partners have already spent time in prison for their faithful witness in Laos. Despite this, our partners are ready and willing to go into the most dangerous places to distribute the Bible to those who don't yet have one.

We need your help to distribute at least 1,600 more Bibles to these Christians in Laos:

25,000 KRW can provide 1 Bible
250,000 KRW can provide 10 Bibles
2,500,000 KRW can provide 100 Bibles
...a gift of 40,000,000 KRW could provide all 1,600 Bibles!

Help deliver these Bibles to Laotians Christians by making a monthly pledge or a one-time gift to our Laos Ministry Fund!
